PROPOSALS FOR STAMPED ENVELOPES. POST OFFICE DEPARTMENT

WASHINGTON, July 15, 1864. Sealed Proposals will be received until three o'clock p. m. on the thirteenth day of August, 1864, for furnishing all the Stamped Envelopes and Newspaper Wrappers which this Department may require during a period commencing on the twelfth day of September, 1864, and ending on the first day STAMPED ENVELOPES.

No. 1, or note size, 2% by 4% inches, of white No. 2, or letter size, 3½ by 5½ inches, and extra letter size, 3½ by 6½ inches, of white, buff, or cream colored paper, in such proportions of either

No. 3, or official size. 3% by 8% inches, of the same colors as No. 2, and under a like condition as to the proportion of each.

All of the above envelopes are to be embossed with a postage stamp of style and color similar to those now in use, of such denomination as the Postmaster General may select. Stamped newspaper wrappers, not less than 6 by 102 5 inches, and of buff or manilla paper, embossed with the two-cent postage stamp, or any other denomination that may be required.

Proposals are also invited for furnishing straw or manilla board boxes, or others of equal or su-perior strength, for packing parcels of envelopes and of newspaper wrappers, containing from one hundred to five hundred each, and for water-proof wooden cases for packing parcels of four to twenty-

The manufactory must, at all reasonable times, be subject to the inspection of the agent of the Department, who will be instructed to require that the envelopes and wrappers shall be made in the best manner, of paper of approved quality, manufactured specially for the purpose, and with such watermarks as the Postmaster General may direct. They must be gummed for sealing—the former at least 4½ inches on the point, and one end of the latter; they must be banded in parcels of twenty-five, packed, without charge for packing, and furnished complete in all respects, ready for use with all reasonable dispatch, and in such quantities as may be required to fill the orders of postmasters, and must be delivered daily, either at the Post Office Department or at the office of an agent duly authorized to inspect and receive the same—the place of delivery to be at the option of the Postmaster General, and the cost thereof to be pid by the contractor. p id by the contractor.

The agent of the Department will furnish the address for each parcel, which is to be pasted on the box by the manufacturer without charge. The dies for embossing the postage stamps on the envelopes and wrappers are to be executed in the best style, and they are to be provided, renewed, and kept in order at the expense of the contractor. The Department also reserves the right of requiring new denominations of stamps, and any changes of the dies or colors, without additional

Bidders are notified that the Department will require, as a condition of the contract, that the envelopes and wrappers shall be manufactured and stored in such a manner as to afford entire security against loss by fire or by theft.

Bidders are expected to furnish samples of paper with their bids, of the quality they intend to use in the manufacture of the envelopes which they propose to supply, and also specimens of the enve-lopes, unstamped, and of boxes.

Proposals are also invited for devices other than watermarks, (or additional to such marks,) to afford protection against counterfeiting. Speci-mens to be submitted. The contract to be awarded to the bidder whose proposal, aithough it be not the lowest, is consid-

ered the most advantageous to the Department, taking into account the price, the quality of the samples, and his sufficiency and ability to manufacture and deliver envelopes in accordance with the terms of this advertisement; and no proposals will be considered unless accompanied by guarantees.

Before closing a contract the successful bidder may be required to prepare new dies and submit specimen impressions thereof. The use of the continued but no rede
